Lane closures on State Roads in Calhoun County

Chipley— The City of Blountstown will relocate a gas main that crosses State Road (S.R.) 69 near S.R. 71 in Calhoun County. Beginning Monday, Sept. 14 and continuing through Thursday, Oct. 1, drivers will encounter intermittent lane closures near the work zone. There will be no lane closures from 6 a.m. to 8 a.m. and from 1 p.m. to 3 p.m.

On Wednesday, Sept. 23, Florida Department of Transportation (FDOT) structures maintenance crews will perform a load test on the S.R. 73 Juniper Creek bridge in Calhoun County. The bridge will be closed in fifteen minute increments from 8 p.m. to 3 a.m. for the test.

All activities are weather dependent and may be delayed or re-scheduled in the event of inclement weather. Motorists are reminded to travel with care through the work zone and to watch for construction equipment and workers entering and exiting the roadway.
